

Summer School Conflict ???

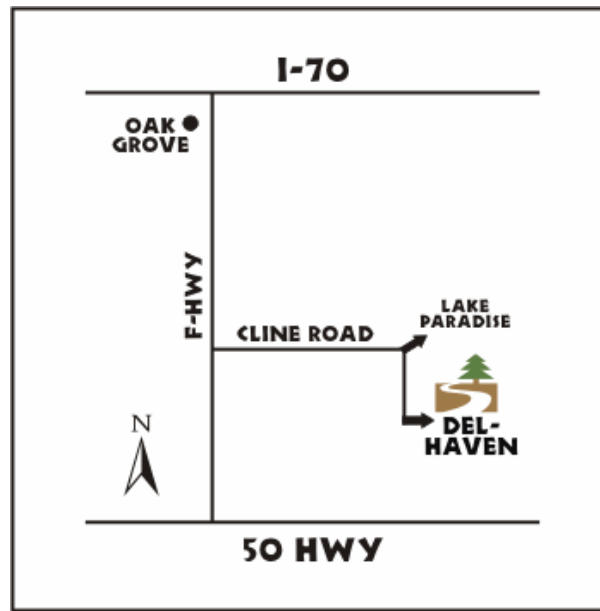

Most schools will allow students to be excused from summer school to attend summer camp because camp programs are educational. In the past students have not been counted absent and received full attendance credit. Please *talk to the principal of your child's school* so your child doesn't miss this opportunity. A certificate of camp attendance will be submitted to your child's school upon request.

General Information

Camp Del-Haven is a non-profit organization that has been providing free camping to children for 57 years. Any child between the ages of 6 and 12 is welcome to attend camp. Because our organization is sponsored by various churches and individuals who are interested in the work, there is no charge for your child to attend camp.

The camp program is run by a well-trained group of volunteers who have dedicated their time and skills toward providing a wonderful week of camp for your child. The camp is recognized by state and federal government as a non-profit Christian ministry that is run by a local board of directors who are also involved in the work.

Camp Activities

During a week of camp your child can expect to experience the great outdoors through various activities, such as: swimming, boating, campfires (marshmallows included), and other various outdoor games and sports. We also provide activities, such as: nature study, crafts, and special guests.

Christ-Centered

Camp Del-Haven is Christ-centered and our daily program includes Bible classes, Christian hymns and choruses, after meal and before bed devotions, and daily Scripture Memory. For more information you may visit our website at www.campdelhaven.org.

Camp Facilities

Camp Del-Haven is located on 40 acres of land in Lone Jack, MO. The grounds are facilitated with a dining hall, chapel, 4 cabins, outdoor shower house, craft cabin, shelter house and a dormitory with indoor bath facilities. As part of our outdoor program we also have: basketball court, swimming pool, ball field, small lake, and hiking trails.

Weather

If the weather is bad, don't worry. We have plenty of indoor activities to keep us busy. In addition, we have a weather radio on hand and a basement shelter if needed. The safety of our campers, your children, is very important.
